

WHO WE ARE AND WHAT WE DO

Columbus Consulting is a leading retail consulting practice, transforming the retail, grocery and CPG industries by offering services from strategy through implementation.

We aren't just consultants, we are industry experts who actually practiced our trade and pride ourselves on trust and integrity.

For over 20 years, we have helped retailers in the US, Canada and EMEA markets. We hit the ground running and work side by side with our client teams - overseeing and executing projects through to completion.

WHY WE ARE DIFFERENT

Our team of over 250 retail consulting practitioners all have career experience with leading global brands. We are dedicated to retail and have served over 300 brands over the past 24 years.

In addition, we

- Drive true value and deliver scalable results
- Tailor our teams to our individual client needs and cultures
- Pride ourselves on building long-term, trusting relationships
- Remain agile throughout our projects

If you do it, we do it.
Strategy through implementation.
